

ARTICLE XVII - OSR OPEN SPACE RECREATION DISTRICTS

PREAMBLE

The OSR Open Space Recreation Districts are intended to provide for permanent open spaces in the City and are designed to provide recreational activities that are limited to country clubs, marinas, and the like. These Districts are further intended to safeguard the natural features of the City, and the health, safety, and welfare of the citizens of Muskegon and the adjacent area by limiting developments to locations where police and fire protection, or protection against flooding by high water table or storm water, or dangers from excessive erosion are not possible without excessive costs to the City.
